

WELLESLEY
PREP SCHOOL

ADMISSIONS JOURNEY

1: Visit Us Anytime

You are welcome to visit us as many times as you would like — open mornings, private tours, play groups for younger children, holiday camps and social events. We would recommend joining an open morning or arranging a private tour as your starting point. During all tours and visits you will get a chance to meet with Mr McDonald, Headmaster and to talk to pupils of all ages.

2. Register Early

When you're ready, please register your child. We recommend doing this before Christmas in the year prior to your child's entry to secure their place.

3. Enjoy a Taster Session

We'll invite your child for a taster morning or day (depending on their age) during the Spring Term before they join. This helps them experience school life firsthand and for us to start getting to know them.

4. Offer of a Place

After the taster session, we'll write to offer your child a place. We kindly ask that you confirm acceptance by the end of March before your child starts in September.

5. Settling In & Summer Events

During the Summer Term before your child starts at Wellesley, they are welcome to join us for as many settling-in sessions as you feel helpful. We also host a New Children's Morning in June, where pupils enjoy a fun morning together and parents can meet other new families.

6. Stay & Play for Younger Children

We hold additional Stay and Play sessions for our younger pupils joining Nursery or Reception — a lovely way to get familiar with their new environment.

Flexible Admissions

Children are welcome to join us at any point in the year if we have space, and we will tailor their admissions journey to ensure a smooth and happy start.

7. A Warm Start in September

All new children are invited to come in the day before school starts for a tour with their form teacher — helping them refamiliarise themselves with classrooms and key areas around the school.
